

SAARC Development Fund

Building Regional Integration Through Project Funding

SDF STRATEGIC PARTNERS' CONCLAVE

July 2-3, 2018

New Delhi, India

The SDF Strategic Partners' Conclave aims to identify, develop or solicit cross border projects from SAARC Member States under co-Financing in line with SAARC Development Goals and explore the opportunities for the Fund Mobilization with an aim of regional integration and development.

Participation in this event will provide an overview of projects currently financed/ in process of being financed by three windows of SDF and projects likely to be financed by SDF over next one year with an aim of regional integration and development. It will also open avenues for cross border trade and investment with SAARC Member States.
